

St. John's Early Childhood One Year Room News

Our month at a glance:

September has been such an exciting month in the 1-year room! We welcomed back some friends that were off for the summer and had a few new friends join us from the Infant room. This past month we started off talking about school. We had so much fun making out handprint crayon boxes and the kids loved watching all the different colors getting painted on their hand. Next, we talked all about ourselves and had a blast doing all the actions to our finger play "Hands on Shoulders". We continued the month learning about apples. This was their favorite week by far. They loved making the apple prints and we worked really hard on saying the word "apple" as well. They did great! We finished up the month learning about shapes and numbers. They loved the shape painting! Who doesn't love a messy art project? ☺

We will kick off the month October learning all about trees/leaves and how they change colors. Next, we will talk about fire safety. We can't wait to see the big firetrucks! ☺ We will continue the month talking about pumpkins. Since our kiddos are a little young to be traveling to a pumpkin patch, we will be bringing the pumpkin patch to them. On Wednesday, October 18th, we will be taking the kids outside at 9:30 to our "Pumpkin Patch" and letting them pick a pumpkin. If your child is not normally scheduled on this day they will still receive a pumpkin to take home. What a fun experience for your little one! We will finish off the month by learning about fall and costumes/sweet treats. We will be taking the children around the ECC and School Trick or Treating! This is such a memorable day!

Our sign language words for this upcoming month are all done, sleep, help, play and water. Keep an eye out for all the sign language words your little one will be using!

Reminders/Announcements:

***Please remember to sign your child in/out every day and fill out their daily sheet every morning.**

*If your child will not be attending daycare or will be arriving late, please let the teachers know in advance as it may affect staffing.

*Please bring in a "warm" spare outfit now that the weather is cooling down.

*Please bring in a sweatshirt, hat, and mittens if you want your child to have them here for when we go outside.

Important Dates:

***Friday, October 6th** - Faith Haven Family Bonfire Night at 5:30. Bring a chair and please join us for an evening of music, fireside treats and fellowship. (7622 Townline Rd. West Bend)

***Friday, October 13th** - Come join us for a fun family event! Our annual trunk 'n treat will be from 6:30-8:00. Registration is at 6:15 in the school gym.

***Wednesday, October 18th** - Pumpkin Patch at ECC

***Wednesday, October 25th** - Trick-or-Treating around the ECC and school. Feel free to bring your child's costume to dress them in when we walk around.
