

St. John's Early Childhood One Year Room News

Our month at a glance:

December was such an exciting month in the 1-Year room. We had so much fun making our Christmas presents and doing other Christmas crafts. We loved our pajama day, watching Curious George "A Very Monkey Christmas", and having popcorn for snack.

We learned about Christmas colors, goodies, ornaments and decorations. We closed out the month getting ready for 2018, by learning about the New Year. Our favorite new song from this month was The Reindeer Pokey.....we giggled so hard!!!!

During January, we are going to learn all about winter....brrrr! We will start off by talking about snow and winter fun. Then we are going to find out which animals like the cold and snow. Finally we will talk about our five senses. Those senses will be especially alert in the cold!!!
