## Early Pre-K News

### Early Pre-K Families,

We really enjoyed the month of March here in the Early Pre-K classroom. We were blessed with some beautiful days and took full advantage of burning off our energy outside!

We kicked off the month learning about dinosaurs. We had lots of fun making our egg carton triceratops and reading lots of books about all the different types of dinosaurs. Next, we talked about St. Patrick's Day. The kiddos loved making their leprechauns and giving them big beards using forks. Also, the shamrock necklaces we a huge hit! After that, we learned all about the weather. We love singing our weather song every day and figuring out what the weather is like outside. Your little ones sure enjoyed our rain cloud science experiment as well. They were all so interested! We finished off the month talking about rainbows. We did a fun experiment using skittles this week and they loved seeing all the fun colors in their marble paintings as well!

Coming up this month, we will have themes on Easter, spring, forest animals, and farm animals. We will learn letters F-I and numbers 2-5. We have also started tracing our letter and number of the week. All your kiddos are doing great and I can't wait to see how they improve over the next couple months!

This past month, we started off by learning about King Cyrus. King Cyrus was a good king and followed God. God wanted King Cyrus and His people to build a temple. The people promised to follow God and build His temple. While they were building the temple, God provided them with everything they needed. We learned that God's people followed Him and we need to follow Him also. Next, we talked about Esther. Esther was one of God's people. The king made Esther the new queen and made Haman his helper. Haman did not follow God and wanted to get rid of all the Jews. Esther prayed to God to help her be brave and save all the Jews. God helped Esther with this hard job and we learned He will help us in times of need too. We continued by learning about Nehemiah. Nehemiah heard that the wall around Jerusalem broke down and the people there were in danger. Nehemiah went to Jerusalem and prayed to God to keep the people safe while they rebuilt the wall. Nehemiah knew God was on his side and God is on our side too. We finished off the month talking about Jesus sacrifice. Jesus died on the cross for all of our sins so that we can be in Heaven one day with Him. We can't thank Him enough for this amazing gift he has given us!
