

# Pre-K 3 May News

Dear Pre-K 3 families,

May has arrived, and that means the end of the school year is near. Our class has grown so much this year, but we still have a lot to learn during the month of May!

During the weeks ahead we will continue to review our numbers, letters, shapes and colors. We have also been learning about habitats such as rainforest, ocean, and pond. Near the end of the month we will talk about insects and summer fun. We are almost finished learning the days of the week in sign language and will be moving to family next.

Our last library day is May 1<sup>st</sup> and this will be a day to return all checked out library books. The children will not be checking out any new books since we will not have library in June. Also, a reminder that the children will be singing Sunday, May 13<sup>th</sup> for Mother's Day. The children have been practicing every day and can't wait for you to hear! One last important date is May 10<sup>th</sup> which is our Shalom fieldtrip. This is always a great end of the year trip and we are crossing our fingers for nice weather!

We have four birthdays to celebrate this month as well. Kaylin and Jordan will be 4 on the 5<sup>th</sup> and Pailynn and Pierce will be 4 on the 25<sup>th</sup>!

I can't wait to spend this last month with everyone and I could not be more blessed to share this year with such an amazing group of children!

## Bible Stories

- April 30-May4:** Three Men in the Fiery Furnace
- May 7-11:** Peter and John heal the crippled man
- May 14-18:** God cares for the birds & flowers
- May 21-25:** Queen Esther
- May 28-June 1:** The Lost Son

We started off the month of April talking about how Jesus spent time with His disciples after rising from the dead and before going to Heaven. He gave the disciples a very important job which we learned is also our job! We are to go and tell others about Jesus and the wonderful things He has done for us. We then talked about Pentecost, and how the Holy Spirit helped the disciples share God's word to others in many different languages. Lastly, we talked about trust. Jonah tried to run from God because he was afraid. He then had to trust God while in the belly of a whale and say sorry for not believing He would protect him. God will always protect us!
