

St. John's Early Childhood One Year Room News

Our month at a glance:

April was such a fun month in the 1-year room! We are learning new things each day and I cannot believe how much the kids are talking and using their sign language to communicate! We are having some really fun conversations.

We were so excited to talk about spring and had so much fun making our caterpillar, bird, and piggy art. Our favorite fingerplay this past month was "Five Little Ducks", as we all got to waddle and quack, quack, quack! ☺ We also got to talk about all the different animals that live on the farm. Your little ones really enjoyed singing "Old MacDonald" and learning all the different animal sounds.....this is one loud week! ☺

May is going to be a very busy month for us! We are going to be spending some time hard at work making our Mom's a special Mother's Day gift. Then we are going to be learning all about flowers, bugs, the beach, and sports! Just wait until you see some of the fun art projects up ahead. This month we will be welcoming Braddyk, as he joins us from the infant room.
