

Early Pre-K News

Early Pre-K Families,

I am so thrilled to officially welcome you to the Early Pre-K classroom! We have a very exciting month ahead of us. We will be welcoming some new friends and having some friends rejoin us after spending some time with their families over the summer. I can't wait to partner with each and every one of you over the next year to help your little one grow, learn, and become even more independent!

Just like in Ms. Lydia's room, I use the stoplight (faces) system for behavior management. Every day, your child will start on green. Based on your child's behavior that day, they can either move up or down on the faces. Similar to the 2s, your child, if moved down to yellow or red, has the opportunity to get moved back up! However, we now add the color blue to our faces. If your child is having a really good day (good sharing, helping out the teacher, etc.) they will have the opportunity to move up to blue. If your child is on blue at the end of the day, they can either pick a piece of candy, a prize from our treasure chest, or get some special time playing on an iPad!

We will also continue using the folders for any daily sheets, art projects, learning activities, etc. Please check your child's folder every day at pickup. They are located on the closet door to the left when you walk in.

I will be using sycamore to post all of our weekly lesson plans and monthly newsletters. You will also be able to find a calendar of events along with pictures taken throughout the year. Please make sure you are checking sycamore often so you can stay up to date with everything going on within the classroom.

I can't wait to learn more about each of your children and help them along their educational journey here at St. John's. If you have any questions or concerns, please feel free to call or email me anytime!
