

God at Work: Intro

Respond to these statements:

“Why do people thank God when I finish a surgery? I trained for years, not him.”

“What’s offering about? Is God out of money?”

“Life is what you make of it.”

“Not my job, not my prob.”

Read: Luke 10:25-37

- Who answers the first question?
- What questions is the parable related to?
- What is the significance of the first two figures on the road?
- How is the third different?
- What is Jesus teaching here?

So, who is your neighbor, your πλησίον (plesion)?

Read: Colossians 3:18-24

- What did God put us here to do?
- How do we serve God?

Even as we begin to speak about vocation, how is *connection* still at the heart of it? How have your vocations changed over the years? How has one vocation of yours changed another?

“The salient part of vocation is not so much authority as love and service” (*God at Work*, 44).
