

Return from False Witness

What's one of the worst things someone has said about you that wasn't true? How did that affect you?

When Jesus is captured in the Garden of Gethsemane, what happens next?

Let's take a look at all the accounts:

**Matthew 26:57–67**

**Mark 14:53–65**

**Luke 22:54–71**

**John 18:13–28**

What did you notice in all these readings?

What finally gets Jesus sent to Pilate?

What is false witness? Is it prevalent today? Why is it tempting?

Luther describes three main situations where the 8<sup>th</sup> commandment applies:

1. Public courts of justice
2. The Church
3. All sins of the tongue against the neighbor

How should we use our tongues when...

- Someone speaks evil of a neighbor
- Someone isn't doing their job
- Someone sins publicly
- Someone sins against us
- We sin against someone else

What does it mean to use the best construct?

How are God's people called to live and speak in his world?
