

Witness to Christ: Peter

- Who is the person in your life, past or present, who sometimes speaks before they think?
- What can we learn from such people?
- When you think of St. Peter, what comes to mind?

John 13:1-17

- What does Jesus know? What does that lead him to do?
- Why is Jesus' action startling?
- What does Peter think of it?
- After trying again, what does Peter still get wrong?
 - What is meant by only washing feet but otherwise being clean?
- What does Jesus teach them through his actions?
- What can we learn from Jesus's words?

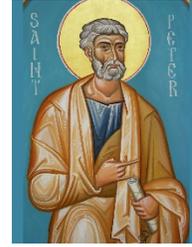

Acts 10:1-5, 9-18, 24-28, 34-35, 44-45

- Who is Cornelius?
 - Why might he not be an obvious choice for God's favor?
- What does the vision tell Peter about cleanliness?
- How does that vision play a role in his conversation with Cornelius?
- What opportunity arises because of this encounter?

What sort of work does Jesus call us to?

What's challenging about that?

What's a blessing about that?
